

CONVENTION REPORT

Co-chairs Linda DeRoche and Wendy Canessa have been busy trying to make this a Fun and interesting convention. We were held up in the planning stages due to unforeseen circumstances which delayed us in getting all the panel information together.

That is now resolved and we are working diligently to make sure everything is in place to give you a great convention.

We are currently sitting at 265 for registrations. We had a small hiccup with the wrong date for the PDG breakfast so we are in the process of getting this corrected and proper meal tickets will be in everyone's package when they register.

We are looking forward to the LEOS from District O-3 leading the charge "UNDER THE BIG TOP" on Friday night and they have been busy building and painting the props for this event. Its amazing what young people can do when you empower them to use their imagination! Future Lions for sure!

Other than the Leos, our Convention committee has basically been the two of us so we are hopeful we have not let the ball fall in any areas we are responsible for.

See you in Surrey!
