## Congratulations, Malena Hine!

When Bob and Roberta Pinson founded the Northwest Lions Eyeglass Recycling Center, they also created a special way to honor those who go above and beyond in service — the Founders Fellowship Award.

At our Annual Picnic last month, Co-founder Roberta Pinson had the joy of presenting this year's Founders Fellowship Award to Malena Hine, our outstanding Mission Coordinator!

The Mission Coordinator role is one of the most vital volunteer positions in our organization. Malena oversees requests for eyeglass missions from around the world, working tirelessly to fulfill them so our mission partners can bring the gift of sight to those who need it most. She and Mission Specialist Frankie Sokso make a dynamic team, managing our mission annex to organize, ship, and track orders across the globe.

Our upcoming missions span the world — from Nigeria to Guatemala, Malawi, Uganda, and even our own local Senior Center. And we're thrilled to share that we're nearing a major milestone: our 400th mission since our founding in 2004!

Please join us in celebrating Malena Hine for her dedication, compassion, and excellence in service.

Congratulations on receiving your Founders Fellowship, Malena — a well-deserved honor from PZC Roberta Pinson and all of us at the Northwest Lions Eyeglass Recycling Center!

Kerby Kee  
President, NWLERC

## Get Ready for “Kitsap Project Connect” — Coming This January to Bremerton!

The Lions Clubs of Kitsap County are once again teaming up for the annual Kitsap Project Connect event in Bremerton, scheduled for Thursday, January 29, 2026. This meaningful community outreach brings together volunteers, eye care professionals, and partner organizations like NWLERC and VOSH to provide free vision screening and eyeglasses to individuals in need.

Since 2010, Lions in Kitsap County have proudly supported Project Connect, and since 2011, our collaboration with NWLERC and VOSH has allowed us to provide more than 1,100 pairs of glasses to local residents who might otherwise go without.

Last year’s event served 59 individuals, distributing 53 prescription glasses and 6 readers donated by LensCrafters — and the gratitude from those receiving them was truly heart-warming.

This year, we’re excited to continue that tradition and hope to expand our reach with more volunteers, eye care professionals, and bilingual helpers to ensure everyone in our community can access the care they deserve.

If you or your club would like to help — whether by volunteering your time, spreading the word, or assisting with logistics — please reach out to Lion Roland Arper, Project Connect Coordinator, [jarper@waveable.com](mailto:jarper@waveable.com) to volunteer.

Even if Project Connect serves a relatively small community, its impact is enormous — and it’s a model that other clubs or zones could easily replicate in their own communities. Every pair of glasses, every smile, and every act of service brings us closer to our shared mission of sight.

19N Director Tim Johnson and Q/A Ted Wilson will coordinate on behalf of NWLERC. Stay tuned for confirmed dates and volunteer sign-up details coming soon!

Lion Roland Arper  
Project Connect Coordinator  
Port Orchard Lions Club

### July – September 2025 Lions Club Eyeglass Donations

A big roar of appreciation to all the Lions clubs who stepped up this quarter! From July through September, your eyeglass donations continue to power our mission of restoring sight and changing lives—one pair at a time.

# NWLERC Mission Report

Report by: Malena Hine, Mission Coordinator

## Request for Readers

1. During Paul Martin's absence, Laurel Strong continues to fill the eyeglass carousel with readers at the Virgil Clarkson Lacey Senior Center. For September, we provided 84 pairs of readers and 5 eyeglass cases.
2. Mukilteo Lions Club. Their club branch is asking about starting a project. They would like to provide reading glasses for their local library. A Request for Eyeglasses order form was emailed to Art Ruben for completion and returned. No response to date.

## Mission Requests - Completed

07/03/25 - Mission Dates: Oct / 20 thru 24 /2025 Mission #395. ## Retirement of PDG Ed Taylor

Lacey Sunrise Lions Club

The Northwest Lions Eyeglass Recycling Center extends sincere appreciation to Past District Governor Ed Taylor of the Lacey Sunrise Lions Club as he retires from his volunteer service.

Ed has served as our Quality Assurance and Lensometer Trainer, meticulously verifying each pair of eyeglasses after the lensometer technicians read the prescription. His precision and dedication ensured every pair met our high standards before being sent on to future missions.

We thank PDG Ed Taylor for his outstanding service and lasting contributions to the work of NWLERC and the Lions' mission of bringing the gift of sight to others.

### On-site Site Managers and Lensometer Technicians are currently in high demand at NWLERC.

**Site Managers** help oversee with the day-to-day operations of NWLERC, ensuring everything runs smoothly for our volunteers and the community we serve. Volunteers can request their schedules, and we currently have shifts available on Thursdays from 9am to noon, as well as afternoon shifts. Site Manager Training is required.

**Lensometer Technicians** play a key role in our eyeglass recycling process by reading prescriptions after the glasses have been sorted, washed, and polished.

If you can spare 4 or more hours a month, we would be incredibly grateful for your time and energy. Training is available for both positions — no experience necessary, just a willingness to learn and a heart to serve.

### Other key positions needing dedicated volunteers at NWLERC

**VP - Administration:** Help keep our office organized by managing operations and handling correspondence. Help ensure everything runs efficiently.

**VP - Operations:** Help oversee daily activities, manage resources, and helps oversee work with others to keep things running smoothly.

**VP - Outreach:** Help spread the word about NWLERC! Help develop outreach programs, visit clubs, build community relationships, and help promote our mission.

**Building Maintenance Coordinator:** Help maintain our facilities, help coordinate routine maintenance, and repairs. Help keep our space in top shape.

We hold monthly executive committee meetings where we come together to support each other as a team. A full description of each position is available.

These volunteer positions are essential to NWLERC's continued success. If you are interested, please contact us to learn more about how to get involved. Your support will help us continue our mission "Changing Lives - One Pair Of Eyeglasses At A Time." Email us at: [missionsupport@NWLERC.org](mailto:missionsupport@NWLERC.org)

## VOLUNTEER SITE MANAGERS

1st/2nd Monday 9am to Noon	<b>Laurel Strong</b> , Lacey Sunrise
3rd Monday 9am to Noon	<b>Judy Ann Bergvall</b> , Lacey Sunrise

### Volunteer Appreciation BBQ — A Wonderful Afternoon Together!

Last month, NWLERC hosted our annual Volunteer Appreciation Potluck & BBQ to celebrate the amazing people who keep our mission running strong. It was a relaxed gathering filled with good food, laughter, and heartfelt gratitude for all the hard work our volunteers contribute throughout the year.

A special thank-you goes to Lion Lyell Clark, who purchased the meat and supplies, and to PCC John Kirry, who fired up the grill and cooked up a fantastic BBQ feast — everything was delicious! Founding member Roberta Pinson proudly presented the Founder's Fellow Award to Lion Malena Hine of the Lacey Sunrise Lions, (who serves as our mission coordinator) honoring her commitment, compassion, and countless volunteer hours given in service to NWLERC's mission of sight.

It was a lovely afternoon of fellowship and appreciation, reminding us all why this work matters — and how much stronger we are together. Thank you to everyone who attended, brought a dish to share, and continues to make NWLERC a shining example of service through teamwork and heart.

## EXECUTIVE COMMITTEE
